#### What's New in the?

-- Q-Table of events -- 4WomenOnly is a calendar that allows you to keep a track of your health by keeping records of your menstruation cycle, ovulation period, intercourse period, etc. A very convenient feature allows you to choose exact days of the month for particular events. -- Calendar generation -- 4WomenOnly creates a customizable calendar for you that can be printed out. You can choose to use both, the existing calendar and your personal, or use only the personalized calendar. -- Time tracking -- 4WomenOnly tracks time in 24 hours interval. The format of the data is created in a human-readable manner, including a total amount of time, a beginning and an end time. There is also a small window that gives you the opportunity to see how much time has passed between the beginning and the end of a given event. -- Statistics -- Create, modify, export and print statistics for selected periods of the months. You can also export data to a text file or to an Excel file. The specific period covered by the statistics can be set using the calendar's user interface. -- Control -- A special control panel is provided to configure many aspects of the product, including: - calendars, - statistics, - password protection, - the synchronization of data files between local and online. -- Option to display icons on the calendar's right side -- You can enable a special feature that lets you see statuses of your data (for example, pregnancy, menstruation cycle, ovulation, cycle's duration, etc.) using small icons. When the system detects a change it will be automatically marked with an appropriate color. You can also set a time period for a particular event. -- Sync data with family members -- In order to synchronize data files between members of your family - 1 or more calendar, or any combination thereof, - you will have to set up a special profile and choose data to sync from the left drop-down menu. -- Running on Windows 98/ME, Windows 2000/XP, Windows Vista, Windows Server 2008 and Windows 7 -- 4WomenOnly is a cross-platform program that does not require anything other than a browser and a web-connection. 4WomenOnly License: The trial version of 4WomenOnly is completely free to use. However, a trial period of 14 days is available for the full version. The current registration key is: czrq14zmkep1 The trial version is fully
